Saturday, May 9, 2020

About the concert

In the spring, MTS will present a concert commemorating the 75th anniversary of the end of World War II. The Centerpiece will be "A Song of Thanksgiving," by Ralph Vaughan Williams. Also featured will be the music of Holst, Ireland, popular Big Band songs of the era, choral music recognizing the Tuskegee Airmen and the Holocaust, as well as some patriotic favorites. Among our special guest artists is soprano, Josefien Stoppelenburg.

The Michael Teolis Singers is comprised of experienced, professional-level singers. There is no membership fee. There is no remuneration for rehearsals or performances; however, there are occasional paid opportunities with/through MTS and its members. The organization performs a diverse repertoire of ancient through contemporary literature and encourages proficient singers of all backgrounds, voice parts, and ethnicities to audition.
